

## **TERMS & CONDITIONS**

This is the legal part of the show. It's just so everybody knows the rules for Nickelodeon on the Web. Be sure to get your parents to review and discuss these rules with you! Please remember at all times that all the toys and games here are just for you to play with. You can't sell them, give them to anyone, or pretend you made them. You can't do anything EXCEPT play with them, unless you ask us first and we say it's OK. Kind of like playing with your big sister's toys, right?

Remember to ALWAYS check with your parents before you send anything to us. After all, they might want it to put on the fridge!

Of course, the folks in the legal office upstairs have their own secret code for saying all that. Here's their version (also known as The Small Print):

PLEASE READ THESE TERMS OF USE (the "Agreement") CAREFULLY BEFORE USING THIS WEBSITE (the "Nickelodeon Asia Site" or "Site", as the case may be). This Site at Nick Asia is fully controlled and operated by Nickelodeon Asia Holdings Pte Ltd, whose registered office is at 151 Lorong Chuan #03-08 New Tech Park (Lobby H), Singapore 556741 ("Nickelodeon Asia").

We take great care and pride in creating this Site. We are always on the lookout for technical glitches that effect how the Site works. When we find them on our end, we will fix them. Unfortunately, your home computer may cause some glitches that effect how you see our Site--and that is beyond our control.

If you experience any unusual behavior, content or ads on the Site, it may be the result of Malware on your computer. Malware--short for MALicious softWARE--is a term used to broadly classify a form of software which is installed in a computer system with malicious intentions, usually without the owner's knowledge or permission. Malware includes computer viruses, key loggers, malicious active content, rogue programs and dialers, among others. While we continuously work closely with our partners to ensure that everything on the Site is working properly, sometimes Malware programs on your personal computer may interfere with your experience on our Site and on other sites that you visit.

We suggest that you take some of the following actions which may help to clean your computer and which could prevent future installations of Malware:

- Update your computer via Windows Update (found in the Tools menu in your Internet Explorer web browser).
- Install a SpyWare Removal Tool such as Spybot Search & Destroy or AdAware to clean your computer of Malware.
- Install antivirus software, such as Norton anti-virus or McAfee Virus-shield.
- Install Microsoft Defender (for Windows computers).

Please note that we cannot be responsible for the effects of any third-party software including Malware on your computer system. Please make sure to carefully read the Help or Customer Support areas of any software download site.

If you do discover any Malware on your system, we also suggest you speak with a qualified computer technician.

If, after taking the above actions, you are still experiencing any problems, please feel free to contact us.
